

Year 3 Terms 1 and 2

		September 2024		October 2024		November 2024		December 2024	
Mon					FB (5) Block 1	Can I subtract 2 2 or 3 digit numbers (with exchange in the tens)?	FB (5) Block 2	Can I multiply and divide by 10? (Multiples of 10 lesson)	
Tues			FB (4) Block 2	Can I subtract multiples of 10 from a 3 digit number (crossing 100)?	FB (5) Block 1	Can I subtract 2 2 or 3 digit numbers (with exchange in across a 100)?	FB (5) Block 2	Can I use know facts to solve calculations? (Related calculations lesson)	
Wed		Can I represent numbers to 100?	FB (4) Block 2	Can I add and subtract 1, 10s and 100s to and from 3 digit numbers (with and without crossing)? Making connections lesson.	FB (5) Block 1	Can I find complements to 100?	FB (5) Block 2	Can I reason about multiplication?	
Thurs		Can I partition numbers to 100?	FB (4) Block 2	Can I identify equal groups?	FB (5) Block 1		FB (5) Block 2	Can I multiply a 2 digit by 1 digit number (no exchange)?	
Fri		Can I identify or estimate numbers to 100 on a number line?	FB (4) Block 2	Can I build and use arrays?	FB (5) Block 1	Can I read and interpret numbers up to 1000 on a number line?	FB (5) Block 3	Can I multiply a 2 digit by 1 digit number (with exchange)?	
Mon	FB (4) Block 1	Can I unitise hundreds? (This lesson and the next have been broken into 2 lessons rather than 1). This lesson focuses on the children unitizing – 10 tens is equivalent to 1 hundred and 100 is 10 times the size of 10. Children should be able to state the number of tens that make up any 3 digit number.	FB (4) Block 3	Can I identify multiples of 2?	FB (5) Block 1	Can I estimate numbers up to 1000 on a number line?	FB (5) Block 3		
Tue	FB (4) Block 1	Can I count in 100s?	FB (4) Block 3	Can I identify multiples of 5 and 10?	FB (5) Block 1	Can I compare numbers to 1000?	FB (5) Block 3		
Wed	FB (4) Block 1	Can I represent numbers to 1000?	FB (4) Block 3	Can I divide by using sharing and grouping?	FB (5) Block 1	Can I order numbers to 1000?	FB (5) Block 3	Can I multiply a 2 digit by 1 digit number (with exchange)? EXTRA LESSON IF NEEDED	
Thu	FB (4) Block 1	Can I partition numbers to 1000?	FB (4) Block 3	Can I multiply by 3?	FB (5) Block 1	Can I interpret pictograms?	FB (5) Block 3	Can I link multiplication and division facts?	
Fri	FB (4) Block 1	Can I partition numbers to 1000 in different ways? (flexible partitioning)	FB (4) Block 3	Can I divide by 3?	FB (5) Block 1	Can I draw pictograms?	FB (5) Block 3	Can I recognize angles and describe the size of a turn?	
							FB (5) Block 3		
Mon	FB (4) Block 1	Can I identify hundreds, tens and ones?	FB (4)	Can I use my knowledge of the 3 times table to multiply and divide by 3?	FB (5) Block 1		FB (5)	Can I recognize right angles?
