

Dear Parents,

Thursday 24th June 2021

We're excited to announce that Elburton Primary will be hosting action-packed summer holiday camps by High 5 Holiday Camps, Plymouth's leading provider of fun-filled activity camps.

It's time to tear off the shackles of lockdown, put down the screens and embrace a summer packed full of activities and the great outdoors.

This summer we're going to take your children on a journey around the globe with an Around the World in 30 Days theme – with every stop packed full of action and activities guaranteed to have them coming home happy and tired out!

Each week at Elburton will be themed on a different continent as we transport your child on a summer spectacular – the very best value summer holiday camp in Plymouth.

Parents trust High 5 Holiday Camps because they guarantee a fabulous array of activities – not just sports and games but arts, crafts, amazing inflatables and more – exceptional well-trained staff, wonderful facilities and a safe and secure environment.

Your little adventurers will come home full of stories, smiles and memories to last a lifetime – as well as new friends and a zest for living life to the full away from a screen.

What's more, if you book for a full week your child will get their very own FREE High 5 T-shirt and passport to chart their journey with.

Here's how Elburton's spectacular summer is shaping up:

- Week 1 (w/c 26 July): Africa
- Week 2 (w/c 2 August): Asia
- Week 3 (w/c 9 August): North America
- Week 4 (w/c 16 August): South America
- Week 5 (w/c 23 August): Europe

We've got a plan for every day of each week this summer too:

- Mega Mondays: Kick start the week with icebreakers and team activities
- Tokyo Tuesdays: Work together in team sports themed on this summer's Olympics
- Wet Wednesday: High 5's famous water inflatables and wet games will have them soaked in giggles and memories
- Themed Thursday: Games, arts, crafts and activities themed on the continent we're visiting that week

We believe High 5 offers a supreme summer holiday camp experience – more than 30 different games and sports alongside our daily Wild Tribe (think bushcraft but better!) and Round the World art and craft activities.

Inspiring today's children for tomorrow's world

PLUS that's before you factor in the bonus extra activities programme, daily swimming and weekly surprises.

We're also very much aware that for many children after a year of lockdown, life can be a little troubling at times. That's why we've teamed up with the amazing, empathetic people at Elephant Counselling, based in Devon, who will be on hand to check in with everyone's wellbeing.

It's easy to book now. Just go to the website high5sportsamps.co.uk to find out more or use this direct booking link for week-long or day bookings at Elburton Primary:
