During book club we will discuss any issues raised in independent reading, review what has happened and continue to read the story together. At the end of the session, we shall decide on the point we need to read to for the following week. Children are expected to complete the reading to keep up with the club; this could be with a family member supporting them. It would be wonderful if children could make notes on ideas, words or subjects they would like to talk about the following week. Each child will have their own copy of the book, which is their responsibility during the duration of the club and will be expected to bring it to each session.	Water bottle	Mrs McKee
